EMPLOYMENT OF NUCLEAR WEAPONS**

**1. (TS) SITUATION.**

A. U.S. unconventional warfare forces attached to COMSOTFE will utilize nuclear munitions, as directed, in support of the wartime missions and tasks of SACEUR/USCINCEUR's land, naval and air forces.

**B. Assumption.**

National policy will permit, during time of war, the use of indigenous personnel to assist in the arming, employment and firing of nuclear weapons. This does not include use of indigenous personnel during peacetime.

**C. Friendly Forces.**

**(1) CINCUSAREUR.**

(a) Provides special weapons logistic support to COMSOTFE in the conduct of UW, to include the receipt, storage, maintenance, surveillance, security and modification of ADMs and associated equipment earmarked for use by UW forces.

(b) Releases atomic demilitarization munitions to COMSOTFE as directed by USCINCEUR.

(c) Provides necessary transportation together with mobile courier team as required for movement of ADMs from storage sites to departure points designated by COMSOTFE.

**(2) CINCUSAFCE.**

(a) Provides special weapons logistic support to COMSOTFE on an emergency basis.

(b) Provides aircraft and special weapons trained liaison personnel and/or nuclear courier teams as required for movement of ADMs from storage sites to departure points and from departure points to tactical air transport missions to operational areas.

(c) Provides as required, appropriate temporary storage and security for ADMs at departure airfields.

**(3) CINCUSNAVEUR.**

(a) Provides special weapons logistic support to COMSOTFE on an emergency basis.

(b) Provides surface, submarine and/or afloat, together with special

Reparti speciali americani, stanziati nei Paesi europei, sono attrezzati per condurre operazioni di guerra "non convenzionali" e per usare, a loro arbitrio, armi atomiche, chimiche e biologiche. Lo documenta un piano del quartier generale USA, sul quale riferiamo a pag. 9
